## Glades Road Dept. Gets New Trucks

The county commission this week authorized the purchase of several new pieces of equipment for use in the Everglades.

Request for the equipment—new trucks and cars—was made by Commissioner Paul Rardin who was forced to engage in a heated debate with other members of the board before winning his point.

Rardin asked for three new trucks and three new passenger cars, to be purchased out of funds which had been allocated for new equipment in the county's current budget. An equal amount of trucks and cars will be traded in on the purchase, Rardin said.

His request brought silence from the rest of the board, a silence that was finally broken by Rardin who asked "do you mean that we aren't going to get any new trucks in the Everglades?"

Commissioner Kenneth Foster said he believed the request should receive further study to which Rardin replied "I have been talking about new trucks for six months."

"I don't want a pile of junk out there, I want something that will run."

The board voted that the Everglades district should have the new equipment.

Commissioner Rardin also joined other members on the board in taking initial steps to carry out a recent grand jury recommendation—providing additional office space for county officials.

The board this week instructed County Attorney Harry Johnston to initiate condemnation proceedings for a parcel of land in the court house block which is now used as a site for a restaurant and a private home. The land will be purchased by the county for use as a site for a new office building if present plans under consideration by the board are carried out.

## 3 Killed, 12 Hurt In 54 Accidents

Three persons were killed and 12 injured in the 54 traffic accidents occurring in Palm Beach County through the month of December, according to monthly report of the State Department of Public Safety released by Cpl. E. D. Dugger at the Pahokee District office of the Florida Highway Patrol. Property damage resulting from these accidents was estimated at \$27,925.

In addition to investigating these accidents FHP officers made 83 arrests for law violations in Palm Beach County during December, issued 147 written warnings of improper driving and 340 warnings of faulty equipment, recovered two stolen vehicles, apprehended one wanted person, assisted 112 motorists, gave 18 safety education talks and examined 930 applicants for drivers licenses of which 439 passed the examination, 295 failed and 196 did not complete their papers.

Mr. and Mrs. Park Keen and children, who are now living in Moore Haven, visited his parents in Pahokee Sunday.

## Palm Beach County Commission Re-Organizes For 1953

Newly Elected Chairman Lake Lytal is shown welcoming Roy A. Michael, Jr., of Lake Worth, as a new member of the board of county commissioners of Palm Beach County at the re-organization meeting on Monday of this week. Mr. Lytal succeeded Commissioner Kenneth Foster who served as chairman in 1952. Others in the picture from left to right are: Commissioner Paul Rardin, Canal Point; Commissioner Foster of West Palm Beach and Commissioner Ben Sundy of Delray Beach.

## Tags Available At Elliott Ford Place

The 1953 car and truck license tags are being issued at the Elliott Motors salesroom in Pahokee for the convenience of Pahokee-Canal Point residents. The tags are on sale at this location on Thursday and Friday from 8:30 a. m. to 5:30 p. m. and on Saturdays from 8:30 a. m. until 12 noon.

## New Settling Tank Okehed By City

The Pahokee City Council at a meeting Monday night authorized the purchase of a new concrete settling tank for the city waterworks. Bids for the construction of the tank will be opened at a regular meeting of the Council the night of Feb. 9. The builder's design must not only conform to the city's specifications but also with the standards of the American Waterworks Association and the State Board of Health.

The group also authorized the police department to purchase new bedding for the city jail.

Arrangements were made for the city to lease a room in the Caldwell building in the Negro section over a six-months period for use by the County Health Department as a Negro Health Clinic. Proposed plans were submitted for building 4,000 feet of new sidewalks and 2,000 feet of new streets in the southeast residential section at an estimated cost of \$20,900. It was announced the city has adopted the Standard Road and Sidewalk Plan IA and any property owner planning to build his own sidewalk will have to conform to the specifications outlined in the plan.

A request by the Pahokee Chamber of Commerce that Lake Avenue be paved from East Main Street to the municipal pier was brought to the attention of the Council.

## Escaping Convicts Kill One Guard

Four convicts in a state road camp prison break at 1:15 a. m. Thursday killed one guard and cracked the skull of another, getting away with two 38 calibre pistols as they escaped from the camp near Range line on State Road 80. One convict, aged 35, was captured but three younger men, aged 21, 23 and 28, made good their getaway.

Dead as a result of the affray is Grant Dohner of West Palm Beach and in Good Samaritan hospital in West Palm Beach is John Graydon of Pahokee who is suffering from a fractured skull. The dead man is well known in this area, having been the mail carrier from West Palm Beach to Clewiston for several months.

All available officers of the law have been called in to assist in the hunt for the killers.

## Arbor Day Meet By P-CP Garden Club

Members of the Pahokee-Canal Point Garden Club will meet in the Pahokee city park on Bacon Point Road this Friday, Jan. 16, at 10 a. m. for their annual Arbor Day program.

The program on "Conservation" will be concluded with the planting of a flowering tree in the park and will be followed by covered luncheon at 12 noon. Mrs. Frank Friend, president, will preside.

Following the luncheon members of individual circles will go to the scenes of their various beautification projects for the planting of flowering trees: the Gardena Circle to Canal Point, the Ixora Circle to Ixora Park and the Hibiscus Circle to Pioneer Park.

## Elliott Heads House Flood Control Group

House Speaker-Elect Farris Bryant of Ocala has announced appointment of Rep. B. Elliott as chairman of the flood control committee in the house. Rep. Elliott is also a member of the appropriations committee among his other assignments for the 1953 session of the legislature.

## Sport Shop Loses \$50 To Burglars

Sneak thieves broke in the Canal Point Sport Shop Sunday night and stole around \$50 in cash and some merchandise, according to M. C. Carter, owner of the store. The break-in was discovered by next door neighbor, Grocer Grady Echols when he went downtown to open his store.

The thieves broke the lower glass out of the front door and made their entrance. They went through drawers, stored trunks and traveling bags, evidently looking for money. They rifled records of the American Legion and ripped open packages that even looked like they might have money in them.

Mr. Carter had a collection of 15 silver dollars which also was taken. Constable Francis Cross and Deputy Sheriff Frank O'Connell investigated. Fingerprints were made.

## NEW TECHNICIAN

Mrs. Phillip White has been employed as laboratory technician at the Everglades Memorial Hospital to fill the vacancy left by the recent resignation of Floyd Euell. Mrs. White, daughter of Mr. and Mrs. Altman E. Morgan, is a graduate of Pahokee High School and received her training in hospital laboratory technology in St. Louis Mo. She returned with her husband last fall to Pahokee where they are now making their home.

## Glades Bridges In Top Spot With SRD

The board of county commissioners of Palm Beach county met with State Road Board Member Thomas B. Manuel in Ft. Lauderdale on Tuesday of this week and discussed Palm Beach county needs in the 1953 SRD budget. Mr. Manuel gave high priority to the two Glades bridges that were deferred at the first SRD meeting—Six Mile Bridge and Canal Point Bridge.

Making construction of these two bridges top priority the new road board member received the following other requests from the county board:

2—Resurfacing SR 716-700 from Canal Point to 20-Mile Bend.

3—Construction new section on SR A1A east of the FEC south from Jupiter for about 2½ miles, and resurfacing the existing road from that point to Lake Park.

4—Grading and paving of SR 80 with a widened section from Loxahatchee to Military Trail.

5—Grading and paving of Farmers' Market Rd. SR 715, at Pahokee.

6—Construction of SR 9 from Broward County line north.

7—Construction of SR 7 north from Okeechobee Rd.

8—Reconstruction of S. Poinsettia Ave. in West Palm Beach (SR to Belvedere Rd.) with a sidewalk curb and gutter and a 60-foot pavement section.

9—Grading and paving of Palm-etto Park Rr. at Boca Raton (SR 808) from end of present improvement to SR A1A.

10—Construction of bridge and approaches on SR 80 at Miami Canal, Lake Harbor and North New River Canal, at South Bay.

11—Construction of bridge across West Palm Beach Canal on SR 7 at intersection of Road 80.

## Annual Banquet For Pahokee Band

The Pahokee Band Parents Association at a meeting at the high school Monday night, with President Duncan Padgett presiding, made plans for the annual banquet for members of the Pahokee High School Band.

This year's banquet will be held in the County Park community building at Canal Point on the night of May 22. Appointed on the committee in charge of banquet arrangements were Mrs. John Rogers, chairman, Mrs. E. F. McIlwain, Mrs. Duncan Padgett, Mrs. James Miller and Mrs. J. E. Williams.

Bandmaster Robert O. Lampl announced the band's first public concert of the winter season will be held in the high school auditorium at 3:30 p. m. Sunday, Jan. 25 instead of Jan. 18 as was previously announced. The 54-piece Pahokee High School Band has accepted an invitation to march in the parade at the annual Fiesta Del Sol in Lake Worth Jan. 22, according to Lampl.

In an effort to aid in bringing new industries to Florida and the southeast, the Seaboard Airline Railroad has established an industrial agent in Atlanta.

## Vitamin C. Foods On School Cafe List

With the purpose of bringing better health to the children of the community, the local school lunch room, managed by Mrs. Oliver Hatfield, has entered a contest featuring Vitamin C foods, sponsored by the Florida Citrus Commission.

The lunchroom must serve some food rich in Vitamin C every day. These foods include tomatoes, cabbage, cauliflower, green peppers, broccoli, collards, kale, mustard greens, sweet potatoes, turnip greens, strawberries, cantaloupe, tangerines, oranges and grapefruit. Citrus fruits must be served twice or more each week. The lunch room personnel is in this contest to win for our school. They solicit your cooperation in this matter.

At any time you know of any vegetables or fruit available they will call for them, pay for them or accept them as a donation for the school. An award will be given to the school whose lunch room serves a Vitamin C rich food every day, and a Grand Prize to the school making the best use of citrus, a \$25.00 scholarship for its manager to attend the State School Lunch Training Program at the Florida State University.

## Cinematic Chatter

By Malcolm Miller

Hello everybody! Your doctor calls it "pes planus." To you and the cop on the beat, it's flat feet. But to singing bandleaders, Vaughn Monroe, it's a real pain in the neck. Which, when you get right down to it, is wrong—anatomical-ly, at any rate. But talk to Mr. Monroe, the genial baton-waver and singing star, and he'll tell you his feet are a pain in the neck. Dance lovers and those who listen to Mr. Monroe's music and singing, have gazed in awed admiration at the ingenious tricks he does with his baton, and the lithe manner in which he hops around the bandstand. And many of them have probably wished they were in Vaughn Monroe's shoes. While Vaughn likes his work, he will gladly trade you his boots. Because standing in front of a band four or five hours a night, every night, besides remaining upright in front of a microphone at radio studios and for recording sessions, isn't without its difficulties. True, it's nice to have that cute blonde co-ed from the neighboring campus smile at you over her partner's shoulder; and, if you're sentimental, it's nice to watch a budding romance on the floor. But at the same time, when you have to tap

your feet in time and jiggle a baton and warble a chorus to some 60 or 70 songs a night, each one lasting about five minutes, your feet and leading hand and throat begin to feel the effect of too much "giving out." What with his popular 30-piece band, his 1500 seat restaurant outside of Boston, his recordings, concert dates, one-nighters, and his fairly recent but already successful movie career, it would seem that Vaughn is doing all right. See you at the movies—Mal.

## BPMC WILL MEET

The Pahokee Business and Professional Woman's Club will meet at the home of Mrs. Cleo Douthit Tuesday, Jan. 20, at 8 p. m. Mrs. Douthit will be assisted by Mrs. Tommie Lee DuBose, Mrs. Kate Cross and Miss Ruth Dorsey; co-hostesses.

Mr. and Mrs. E. L. Pope have as their house guest this week Mrs. Gertrude B. Bilelo of New York City and Hobe Sound.

## County Asks State For Gas Tax Audit

A detailed audit of county gas taxes which have been spent by the State Road Board in the past four years, was asked by the county commission this week. The commission voted to ask for the audit since it is likely that these statistics will be available during a current audit that is being carried out by the new state road board.

In connection with county road and bridge projects, the board took note this week that construction of two new bridges in the Everglades will probably be delayed for about six months under a construction embargo which has been ordered by the present road board. Contracts for bridges at Six Mile Bend and Canal Point were granted by the previous road board, to Cleary Brothers Construction Company of West Palm Beach but construction on the two projects has not yet been started.

The board, however, adopted a resolution to the road board, in which it called attention to an offer by Cleary Brothers, to proceed with construction of the two bridges now and wait for payment until such time as state funds are available. Glades Commissioner Paul Rardin proposed the resolution to the road board and commended the construction company for its offer.

## EPISCOPAL CHURCH

The Holy Communion will be offered next Sunday at 9 a. m. in the Episcopal Church of the Holy Nativity, for intention of the incoming administration to be inaugurated in Washington on Tuesday. Father John Petrie asks that his congregation make their Communion to that purpose.

Mr. and Mrs. Duncan Padgett are spending the weekend with their son and daughter-in-law, Mr. and Mrs. Donald Padgett, and family in Auburndale.

Mr. and Mrs. Manning I. Keen had as guests over the weekend her brother-in-law and sister, Mr. and Mrs. R. I. Pearce, of Clewiston.

## Pretty "Foxy" Terrier

Talking about dogs, the other night—and Sandy Johnson topped everything off with a tall story about his fox terrier, "Boscum."

According to Sandy, "Comes bird season and that dog won't stir if I take down my rifle. Same if it's deer season and I go for my shotgun—he won't move, but he's scratching at the door if I so much as look at my rifle!"

One day, Sandy decided to fool him. He took down both his shotgun and his rifle—and swish, Boscum was on his way! So Sandy put the guns back and took out

his fishing rod. He went outside and there was Boscum—digging like crazy for worms!

From where I sit, a dog that can outguess humans is as rare as a human that can outguess other humans. For instance, I like a glass of beer with lunch but I wouldn't think of pouring you one without first asking. Everybody has preferences—and it's finding out what they are and respecting them that keeps freedom from "going to the dogs."

Best way to  
control  
wireworm  
on corn,  
sugar cane and  
sweet potatoes

# aldrin

Aldrin—approved by agricultural authorities for control of certain soil pests—has established a fine record for wireworm control on sugar cane, corn and sweet potatoes.

Easy-to-use aldrin can be applied to soil in two ways:

1. Apply aldrin directly on the ground, as dust or spray, and harrow it in when preparing seed beds.
2. Have your supplier mix aldrin with your fertilizer and apply with conventional row treatment.

Using either method aldrin is applied in small amounts... it's economical. Aldrin gets other insects at the same time. It controls rootworm and other pests... is now approved for controlling wireworm on sweet potatoes.

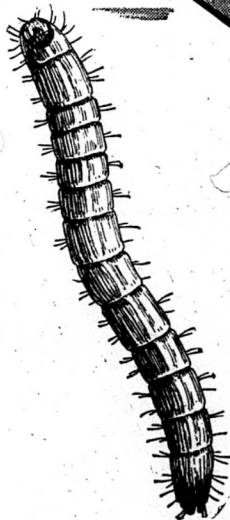

Make your next crop a profitable one, free of wireworm and other destructive insects... use aldrin before planting. Your dealer will be glad to give additional information.

## Blue Devils Win From Clewiston Five

After dropping their opener to the Belle Glade Rams, 55-45, at Belle Glade Friday night, the Pahokee Blue Devils came back to whip the Clewiston Tigers, 49-45, in their first home game of the 1953 basketball season played in the understated and entirely inadequate local gymnasium Tuesday night.

The Blue Devils, behind two points at the end of the first quarter, surged ahead, 25-18, at the end of the half and the Tigers were never able to regain the lead although they made a desperate effort in the last quarter when they chalked up 19 points to the Blue Devils' 14. Pahokee's star tosser, Guard Danny Mullis, led the scoring with 10 field goals and 2 free throws for a total of 20 points. Center Lewis Pope 9 points was second high scorer for the Blue Devils. Forward Jackson (17 points) and Guard Tanner (16 points) were high men on the Tiger team.

In the preliminary game the Pahokee B squad mauled the Baby Tigers 41-13.

This Friday night the Blue Devils are scheduled to play their third game of the season out of town, meeting the Fort Pierce Eagles at Fort Pierce.

The thirteenth anniversary of Hendry County will be celebrated during the Sugarland Fair in Clewiston, Jan. 27-31. United States Sugar Corporation is cooperating by staging sight-seeing tours for the general public.

## Two-Egg, Fla., Wants A U. S. Post Office

**TWO-EGG IN UP-ROAR**—The people of Two-Egg, thriving community in Jackson County just 14 miles from Marianna, were highly indignant when an assistant post master general here in Washington told Walter Davenport, noted writer, that there was no such town. The assistant post master general reached that conclusion because he couldn't find Two-Egg listed in the Postal guide, whereupon the citizens of that good town demanded an apology. Just because a town isn't listed in the postal guide doesn't mean there isn't any such place, they said. The assistant post master general apologized.

To make sure that the same oversight is not made again, 33 loyal Two-Eggers have petitioned the Post Office Department for a post office at Two-Egg. They have even demanded that Senator Smathers do something about it. With the petition for the post office was an application for the job of postmaster signed by one Johnnie Robert Powell, Sr., local merchant.

Only item of interest not contained in the petition is how Two-Egg got its name.

## Woman's Club To Gather In Dimes

The Pahokee Woman's Club at a business luncheon in the clubhouse Tuesday voted to take an active part again this year in the annual March of Dimes campaign for polio relief. The club will sponsor collections at the local theaters, with Mrs. W. H. Jones, Jr. in charge.

The club made plans for sponsoring a benefit bake sale to be held in front of the post office Saturday, Jan. 17, at 10 a. m., proceeds to go toward the purchase of a walk-in refrigerator for the Everglades Memorial Hospital, the purchase of the refrigerator being a joint project of several civic clubs. Mrs. Rupert Mock will be in charge.

Mrs. James H. Wilson was requested to continue serving as house chairman for the remainder of the year. It was announced standing committees will be responsible for keeping the clubhouse clean for the remainder of the year.

A contribution of an electric wall clock for the club house from M. I. Keen was acknowledged at the meeting.

Plans were made to plant a rubber shade tree, donated by Mrs. Ruth Meredith, on the lawn at the rear of the clubhouse on Arbor Day, Friday, Dec. 16. The planting will be under the direction of Mrs. Frank Friend.

Mrs. R. J. Schroder gave the club collect. Mrs. Don Hillier, president, presided. Mrs. Lewis Friend, Mrs. G. H. Tucker, Jr., and Mrs. Rupert Mock acted as luncheon hostesses.

## Tuesday Is Date For Club Meetings

Three Circles of the Pahokee Canal Point Garden Club will conduct their January meetings at the homes of members on Tuesday, Jan. 20.

The Hibiscus Circle will meet at the home of Mrs. Don Hillier at 10 a. m., with Mrs. Ruth Meredith, co-hostess. W. M. DuBois, local grower of Easter lilies and other flowers, will be guest speaker. The subject of his talk will be "Nutritional Sprays."

The Gardenia Circle will meet at the home of Mrs. A. R. Chastain at 2 p. m., with Mrs. J. E. (Jake) Williams, co-hostess.

The Leora Circle will meet at 2 p. m. at the home of Mrs. Walter G. Hull.

## Five Circles Will Meet Monday, Jan. 19

The five circles of the Pahokee First Methodist Woman's Society of Christian Service will meet Monday, Jan. 19, at homes of members; the Gertrude Shirley Circle, at the home of Mrs. Louis Davis, at 8 p. m. with Mrs. Blake Dunson, co-hostess; the Miriam Circle, also at 8 p. m. at the home of Mrs. E. L. Pope who will be assisted by Mrs. Maribelle Rawls, co-hostess; the Mabel Simonson Circle, also at 8 p. m. at the home of Mrs. O. D. Carpenter, with Mrs. Carpenter's mother, Mrs. C. A. Shive, assisting as co-hostess; the Mary Martha Circle, at the home of Mrs. R. L. Brooks, with Mrs. I. M. Lair, co-hostess, 8 p. m.

Miss Peggy Anne Stalls, daughter of Mrs. Sion C. Stalls of Moore Haven, and George L. Sims, Jr., son of Mr. and Mrs. G. Lawton Sims of Canal Point were married Dec. 28 at the First Methodist Church in Moore Haven. The young couple lives in Gainesville, Fla., where he is a senior at the University of Florida.

## Lytal Named Head Of County Board

Lake Lytal, representing district 2, was named chairman of the Palm Beach County commission this week at the board's annual reorganization meeting, succeeding Kenneth Foster who has been chairman for the past year. Renamed vice chairman was Ben Sundry, Delray Beach, who represents the fourth district on the board.

Starting his first term on the county commission is Roy A. Michael, Jr. Lake Worth, who will represent District 3 as the successor to Herbert N. Evans, named to fill the unexpired term of the late John Prince. Being sworn in for new terms to which they were re-elected last November, were Paul Rardin, Canal Point, representative of District 5 and a past chairman of the commission and Foster, who represents District 1.

Selection of Lytal to head the board makes the third time that he has held this office. The new chairman has been a member of the board for the past ten years and in years of service, is the oldest member of the group. He was first elected to the commission in 1942 and has previously served as the board's vice chairman and two terms as chairman. Commissioner Sundry, who is serving his first term on the board, has been serving as vice chairman under Commissioner Foster and during the coming year will serve in the same capacity as an aide to Chairman Lytal.

Commissioner Michael, though he is the fledgling member of the county board, is no newcomer in the field of public service, having served as a city commissioner in Lake Worth for several years.

Commissioner Rardin, a former state legislator and second oldest member on the board in years of service, has twice been re-elected as commissioner from the Glades. All county department heads were re-appointed to their positions for the coming year and were com-

## Defense Official Talks To PTA

John Day of Lake Worth, Civil Defense official, was guest speaker at the January meeting of the Pahokee Parent-Teacher association held Monday night in the high school auditorium with the president, Mrs. Doris Sasser, presiding.

Introduced by Moyer Lewis Friend, the speaker explained the general set up in the Palm Beach County Civil Defense system and cited the need of volunteer workers. Mrs. George Arceneaux was in charge of the program.

Mrs. Ernest Maxwell, treasurer, reported \$746.96 in the PTA treasury.

The group voted to resume the monthly count of parents of school children attending regular PTA meetings and present a cash award to the school whose pupils have the most parents present. The award was increased from one dollar to two dollars and fifty cents, however, in order for a school room or group to win an attendance award 30 per cent or more of the parents of pupils must be present at a PTA meeting.

## Abowd - Cunningham

Announcement has been made of the engagement of Miss Rheta Abowd of Belle Glade, daughter of Mr. and Mrs. George Abowd, former Pahokee residents now living in Immokalee, to Roger Cunningham, son of Mr. and Mrs. W. L. Cunningham, of Belle Glade.

Miss Abowd, former student at Pahokee High School, is completing her senior year at the Belle Glade High School.

Mr. Cunningham is a graduate of Belle Glade High School and recently received an honorable discharge after four years in the Armed Forces.

## Betty Jo Barwick Weds Ray Hatton

Mrs. J. Henry Barwick of Pahokee announced the marriage of her daughter, Miss Betty Jo Barwick, to J. Ray Hatton, son of Mr. and Mrs. Joe Hatton, Sr., also of Pahokee.

The wedding took place at the First Baptist Church in Folkeston, Ga., Tuesday, Jan. 6, at 9:30 p. m., with the Rev. Berger E. Howard, pastor, officiating.

The bride is a graduate of Pahokee High School and attended the University of Miami. Before her marriage she was associated with her mother in the produce buying business.

Mr. Hatton, also a Pahokee High School graduate, received a BS degree in botany from the University of Florida, Gainesville, in June, 1952, and is now associated with his father and brothers in the produce firm of Hatton and Sons.

Following a brief wedding trip Mr. and Mrs. Hatton will return to Pahokee where they will make their home.

## Spaghetti Supper Scheduled Jan. 20

A spaghetti supper will be held in the Pahokee school cafeteria Tuesday, Jan. 20, from 5 to 8 p. m. under the sponsorship of the girls of the second year home economics class at Pahokee High School. Tickets will be \$1. Proceeds will be used by the "home ec" girls to help pay for kitchen equipment and also to help pay expenses of attending the State Fair in Tampa.

### LAMPI RE-ELECTED

Bandmaster Robert O. Lampi, director of the Pahokee High School Band, was re-elected secretary-treasurer of the Florida Bandmasters Association at the annual FBA election of officers held last weekend in Tampa while the State Band Clinic was in session.

## 51 Enter Bookkeeping Class At School

Fifty-one adults enrolled in the bookkeeping classes which opened at Pahokee High School Tuesday night. Mrs. Sable Walcott, instructor, spent most of the evening completing registration work, explaining the course and its textbooks and assigning lessons.

Because of the large enrollment, plans were made to divide the class into two sections if another instructor can be obtained.

## Blue Devils Are Honored By Rotes

Bill Hatton, outstanding backfield player in the 1952 Pahokee Senior High Blue Devil football team, and Richard Weeks, outstanding lineman in the 1952 Pahokee Junior High football team, were guests of honor at the Thursday luncheon meeting of the Pahokee Rotary Club last week when they were presented with special club trophies in recognition of their prowess on the football field. The presentation of the trophies was made by John A. Dulany of the youth service committee.

Plans were made for the annual Rotary ladies night program to be held Thursday, Feb. 12, with Rotary Ann's to attend as guests.

A. Dunham of Okeechobee was guest speaker. Introduced by Jack Spencer, he gave a talk on "Hobbies" and gave some demonstrations of his hobby in the field of legerdemain. President Elmer Jones presided.

### PARENTS COUNCIL

Palm Beach County Council of Parents will hold a night meeting on Tuesday, January 20th, at the Lake Worth North Grade School, starting at 8:00 p. m. A program will be prepared before the business session, consisting of a symposium entitled "Legislation for 1953—the future of our Schools."

## Christian Science Group Of Canal Point

Central fact of Christian Science services next Sunday, when the subject of the Lesson-Sermon is "LIFE", is that Life is God, spiritual and not material.

The Golden Text is from Psalms (16:5, 11): "The Lord is the portion of mine inheritance and of my cup: thou maintainest my lot. . . Thou wilt show me the path of life."

Bible selections include the following from Psalms (36:9): "For with thee is the fountain of life: in thy light shall we see light."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "When being is understood, Life will be recognized as neither material, nor finite, but as infinite—as God, universal good; and the belief that life, or mind, was ever in a finite form, or good in evil, will be destroyed" (p. 76).

## Trophies Are Given Sims And Waddell

Benny Sims, tackle and outstanding lineman on the Pahokee Senior High 1952 varsity football team, and Donald Waddell, outstanding backfield player on the Pahokee Junior High 1952 football team, were guests of honor at the luncheon meeting of the Pahokee Lions Club Tuesday when they were awarded special club trophies in recognition of their skill in football. The presentation was made by Clyde A. Canipe, principal of Pahokee Schools.

The club announced plans for sponsoring a show of magic in the high school auditorium on Feb. 16, proceeds to go toward the purchase of a walk-in refrigerator for the Everglades Memorial Hospital, the cost of which is being shared by local civic groups. Mayor Lewis Friend and Attorney Ralph O. Johnson are in charge of arrangements.

Keith Aldridge, guest speaker, gave a talk on "Public Speaking". He was introduced by Frank Rozelle. President James W. Vann presided.

## Lake Worth Festival Scheduled Jan. 19-24

The sixth annual Fiesta del Sol will be held in Lake Worth the week of January 19th thru the 24th, 1953. This promises to be the largest and best affair held to date. Most of the activities will be held at the grounds just west and south of the Lake Worth Casino, which will be known as the Fiesta Midway grounds. Here a midway of events, such as exhibits, rides, games, concessions of different sorts will be held, operated by the Florida Bazaar Supply Service for the Lake Worth Civic Council.

The annual parade which will be held on January 22nd, at 7 p. m. will disband at the East end of the Lake Worth Bridge at the entrance to the Midway grounds. There will be bleacher seats erected at the west approach to the bridge to view the parade. This will be quite colorful—there being eight divisions and eight bands to date. There will be the queen's float which will lead the parade, followed by Womans Civic groups, mens civic groups, City vehicles, Industrial and commercial floats, marching units, etc.

A most unusual band which will participate will be the United States Air Force Drum and bugle Corps of Washington, D. C. composed of 70 pieces. Col. Fred O. Easley, Jr. Commanding officer of Palm Beach International Airport announced this band will be on hand Thursday Jan. 22nd, in time to give a concert in Bryant Park in the afternoon and become a marching unit in the evening parade.

To temporarily replace a broken window pane in an emergency, dip a wire screen the same size as the pane in fresh white shellac. Be sure all the holes are filled. When dry it will keep out cold but admit the light until you can replace the broken pane.

The "March of Dimes" is on again and Floridians are called upon to meet this state's quota for this worthy cause. Let your dimes help fight infantile paralysis.

## Ford Museum To Open In St. Pete

ST. PETERSBURG—"Industrial Progress—U. S. A.," a piece of the Henry Ford Museum from Greenfield Village, Michigan, is coming to town next month.

Scheduled for a week's showing at the Florida Power Corporation office starting Feb. 2, this unusual business show will be free to the public. The show portrays the industrial progress of the nation from colonial days, and the Ford Museum has the cooperation of the following corporations in bringing an interesting part of the museum

to the public: Western Union, McColl Corp., Cluett-Peabody, Badcock & Wilcox, Singer Sewing Machine, Royal Typewriter, General Electric, Yale & Towne, Farberware, Firestone Tire, Electric Auto-Lite, Home Insurance, Owens-Illinois Glass, American Radiator, American Can, Eastman Kodak, Dumont Laboratories, Chesapeake & Ohio Railroad and Benrus Watch.

## Passion Play Open At Lake Wales

LAKE WALES — The world's greatest religious story, as depicted by America's own Black Hills Passion Play troupe, opened a two-months engagement at Passion Play Amphitheatre here last Friday night.

Mammoth Passion Play Amphitheatre, built by popular subscription in a year's record time and for as it was built, is landscaped, planted and painted for the "Gold Plate" Pioneers Club preview at which leaders in Florida political, religious, educational and press life and some 2,000 Pioneer Clubbers will see Josef Meier and a cast of over 200 dramatize the last week in the life of Jesus on earth.

Scheduled performances on Tuesday, Thursday and Sunday nights began Sunday, January 11. The great drama is played on eastern America's most exotic stage set, depicting a street scene in old Jerusalem with seven permanent sets, and runway playing space enough to accommodate a small circus.

Camels, donkeys, horses and a flock of sheep are included in the spectacle scenes, first of which is the Triumphal Entry into Jerusalem on Palm Sunday.

Scene changing on the mammoth set is done by instantly controlled lighting and action moves from spectacle to intimate close-ups with no pauses between.

Organ music from the great masters forms a background for the action throughout, and the concert starts a full hour before the Passion Play begins.

Amphitheatre officials announced this week that some good seats are still available at prices within the reach of all.

### FIRE DISCOVERED

As the cane train of the U. S. Sugar Corp. was making its morning run from the Bryant plantation to the Clewiston mill over the FEC tracks Tuesday morning around 11 o'clock, employees at Vann's packing house noticed one of the loaded cars was afire and flagged down the train. The Pahokee Fire Department was notified and soon had its fire truck at the crossing where the burning car was spotted. The fire was extinguished before it could do much damage to the car.

### CARD OF THANKS

We wish to express our sincere thanks for the many kind deeds shown us during the illness and death of our loved one, James H. Uphergrove. ## Special Program By Mission Groups

The World Friendship and Missionary group of the Pahokee Methodist Youth Fellowship, led by Joyce Lynn Hurt, presented a special program at the church Sunday evening. Miss Hurt was assisted by Betty Holt, Philip Dulaney and Corrine Collins. Jimmy Rozelle, president, presided at a brief business session. Adults present were Mrs. Clyde Alley, WSCS representative of youth work; Mrs. Velva Elliott, counselor, and Dr. Rembert A. Guy, pastor.

Following the evening worship service, the MYF group enjoyed a fellowship and recreation program at Mrs. Elliott's home.

### CARD OF THANKS

We desire to express our sincere appreciation to the good people of Pahokee and the Glades for their kindness during the illness and death of our beloved son and husband, J. W. Mullis. It is our earnest prayer that God will bless each and everyone of our thoughtful friends.

Mrs. J. W. Mullis and Children.

## Jungle Gardens Is On G. C. Itinerary

The executive board of the Pahokee-Canal Point Garden Club at a meeting at the home of the president, Mrs. Frank Friend, Tuesday made plans for a tour by club members of McKees Jungle Gardens near Vero Beach on Feb. 18. Each member will make her own preparations for the picnic lunch in the Gardens at noon.

A proposed plan for planting poinciana trees along the foot of the Lake Okechobee levee on the land side was discussed. Mrs. Frank Friend and Mrs. A. R. Chastain were appointed to contact the U. S. Engineers office at Clewiston with a request for permission to make these plantings.

Final plans were made for the Arbor Day planting of a flowering tree (cocclosperrum) in the city park under the sponsorship of the club.

Announcements were made of the annual flower show of the West Palm Beach Garden Club at the George Washington Hotel Jan. 31-Feb. 1, of a lecture by Dr. Kathryn Abbey Hanna at the West Palm Beach Woman's Club at 1:30 p. m., Feb. 12, and the annual convention of the State Federation of

Garden Clubs in Miami, April 3-10. It was announced a member of the Hibiscus Circle will represent the club on the Pahokee Chamber of Commerce executive board through February.

Mrs. W. S. Evans, publicity chairman, reported pictures and a story of the recent fashion show sponsored by the Gardania Circle will appear in the February issue of the magazine, Tropical Gardens.

## Body Of Negro Is Found In Canal

The body of Samuel E. Holt, 55-year-old Negro, was found floating in a drainage canal by Floyd Erickson, Canal Point farmer, near his farm north of Canal Point Sunday afternoon.

The body, not immediately identified, was taken to Taylor's Funeral Home in Belle Glade where an autopsy, failed to show any signs of foul play. Holt, a resident of the Negro quarters known as "Silver City", had been missing several days.

Mrs. Emma Wheeler left Pahokee the past week to spend a month with her son-in-law and laughter, Mr. and Mrs. E. L. Chapman, in Lakeland.

ON THE JOB IN SPITE OF A WHEEL CHAIR . . . is Joe Taylor, a 24 year employee of Florida Power & Light Co. He works with five other accidently injured men in the company's new Rehabilitation Shop in Miami. Their work is light but important, chiefly cleaning and repairing electrical equipment.

As part of the rehabilitation program, the company furnishes transportation to doctors' offices and pays medical expenses. Employees may stay in the shop a day or a year—whatever time is needed until they are ready for their regular work. There are comfortable chairs to work in, and a couch and radio are provided for rest and relaxation. Companionship and activity keeps the men more cheerful, and should help many to make better progress toward recovery, supervisor G. H. Rennie said.

Little Kathy Boynton returned home Saturday night from the Everglades Memorial Hospital where she recently underwent surgery in treatment of an injured hand which she burned severely on an electric ironing machine the middle of December.

Regular showings of the Passion Play, with the famed Josef Meier as Christus, began January 11 and will run every Tuesday, Thursday and Sunday until well into March. It is staged in the midst of an orange grove outside of Lake Wales.

## Funeral Services Pahokee Pioneer

Funeral services for James Hughes (Uncle Jim) Upthegrove, 68, one of the earliest pioneer residents of Pahokee, were held at the Church of God on Barfield Highway Sunday, Jan. 4, at 2 p. m., with the Rev. F. R. Daniel, pastor, officiating.

Uncle Jim came to the Pahokee area in 1910 as a commercial fisherman and later operated a grocery store and fish market until he retired about seven years ago. After retiring he did some fishing when his health permitted such activity. Last October Uncle Jim received special recognition during the Pahokee Pioneer program and covered-dish dinner sponsored by the women of the Methodist Church.

He was a member of the Church of God in Pahokee, a charter member of the Okeechobee Masonic Lodge and a 32nd degree Mason.

He is survived by his wife, Mrs. Josephine Upthegrove, a stepson, H. A. Adkins of Pahokee and several nieces and nephews in Pahokee, Canal Point and other Glades communities.

Burial was at the Okeechobee Cemetery where the Masonic Lodge conducted graveside services. Berry's Funeral Home was in charge of arrangements.

## KIND WORDS

January 9, 1953

Everglades News,  
Canal Point, Fla.

Dear Paul,

This is just an inadequate expression of thanks to you for the kindness you have shown the Episcopal cause in the area. The slow but steady progress made in the last year and a half owes no small amount to the generosity of the newspaper. I speak not only for myself but for the Vestry of Holy Nativity. I shall also make acknowledgement in the weekly bulletin which goes out to our constituents.

Your sincerely  
John C. Petrie

### MAGAZINE STORY

Members of the Pahokee-Canal Point Garden Club will be interested to know that pictures and a story of the Fashion Show produced by the Gardenia Garden Circle in the high school auditorium in November will appear in the February issue of Tropical Gardens. Among those who will be in the pictures are Mrs. W. S. Evans, master of ceremonies; Mrs. A. R. Chastain, manager of the show, and Mrs. Frank Friend, club president.

The Florida Greyhound Lines surpassed the 1951 record of 1,052,227 passengers by a wide margin in 1952. Totals for 1953 are expected to go even higher.
